Think Critically

-  1 What details in the pictures help you know each season?
-  2 Why do the people in this book do different things in different weather?
-  3 What is your favorite season? What do you like best about that season?

  **School Activity** Have children draw a picture of something they like to do in their favorite season.

  **School-Home Connection** Ask your child to read the story aloud and then point out the words *where* and *do* throughout the story.
