FUJIKO F FUJIO

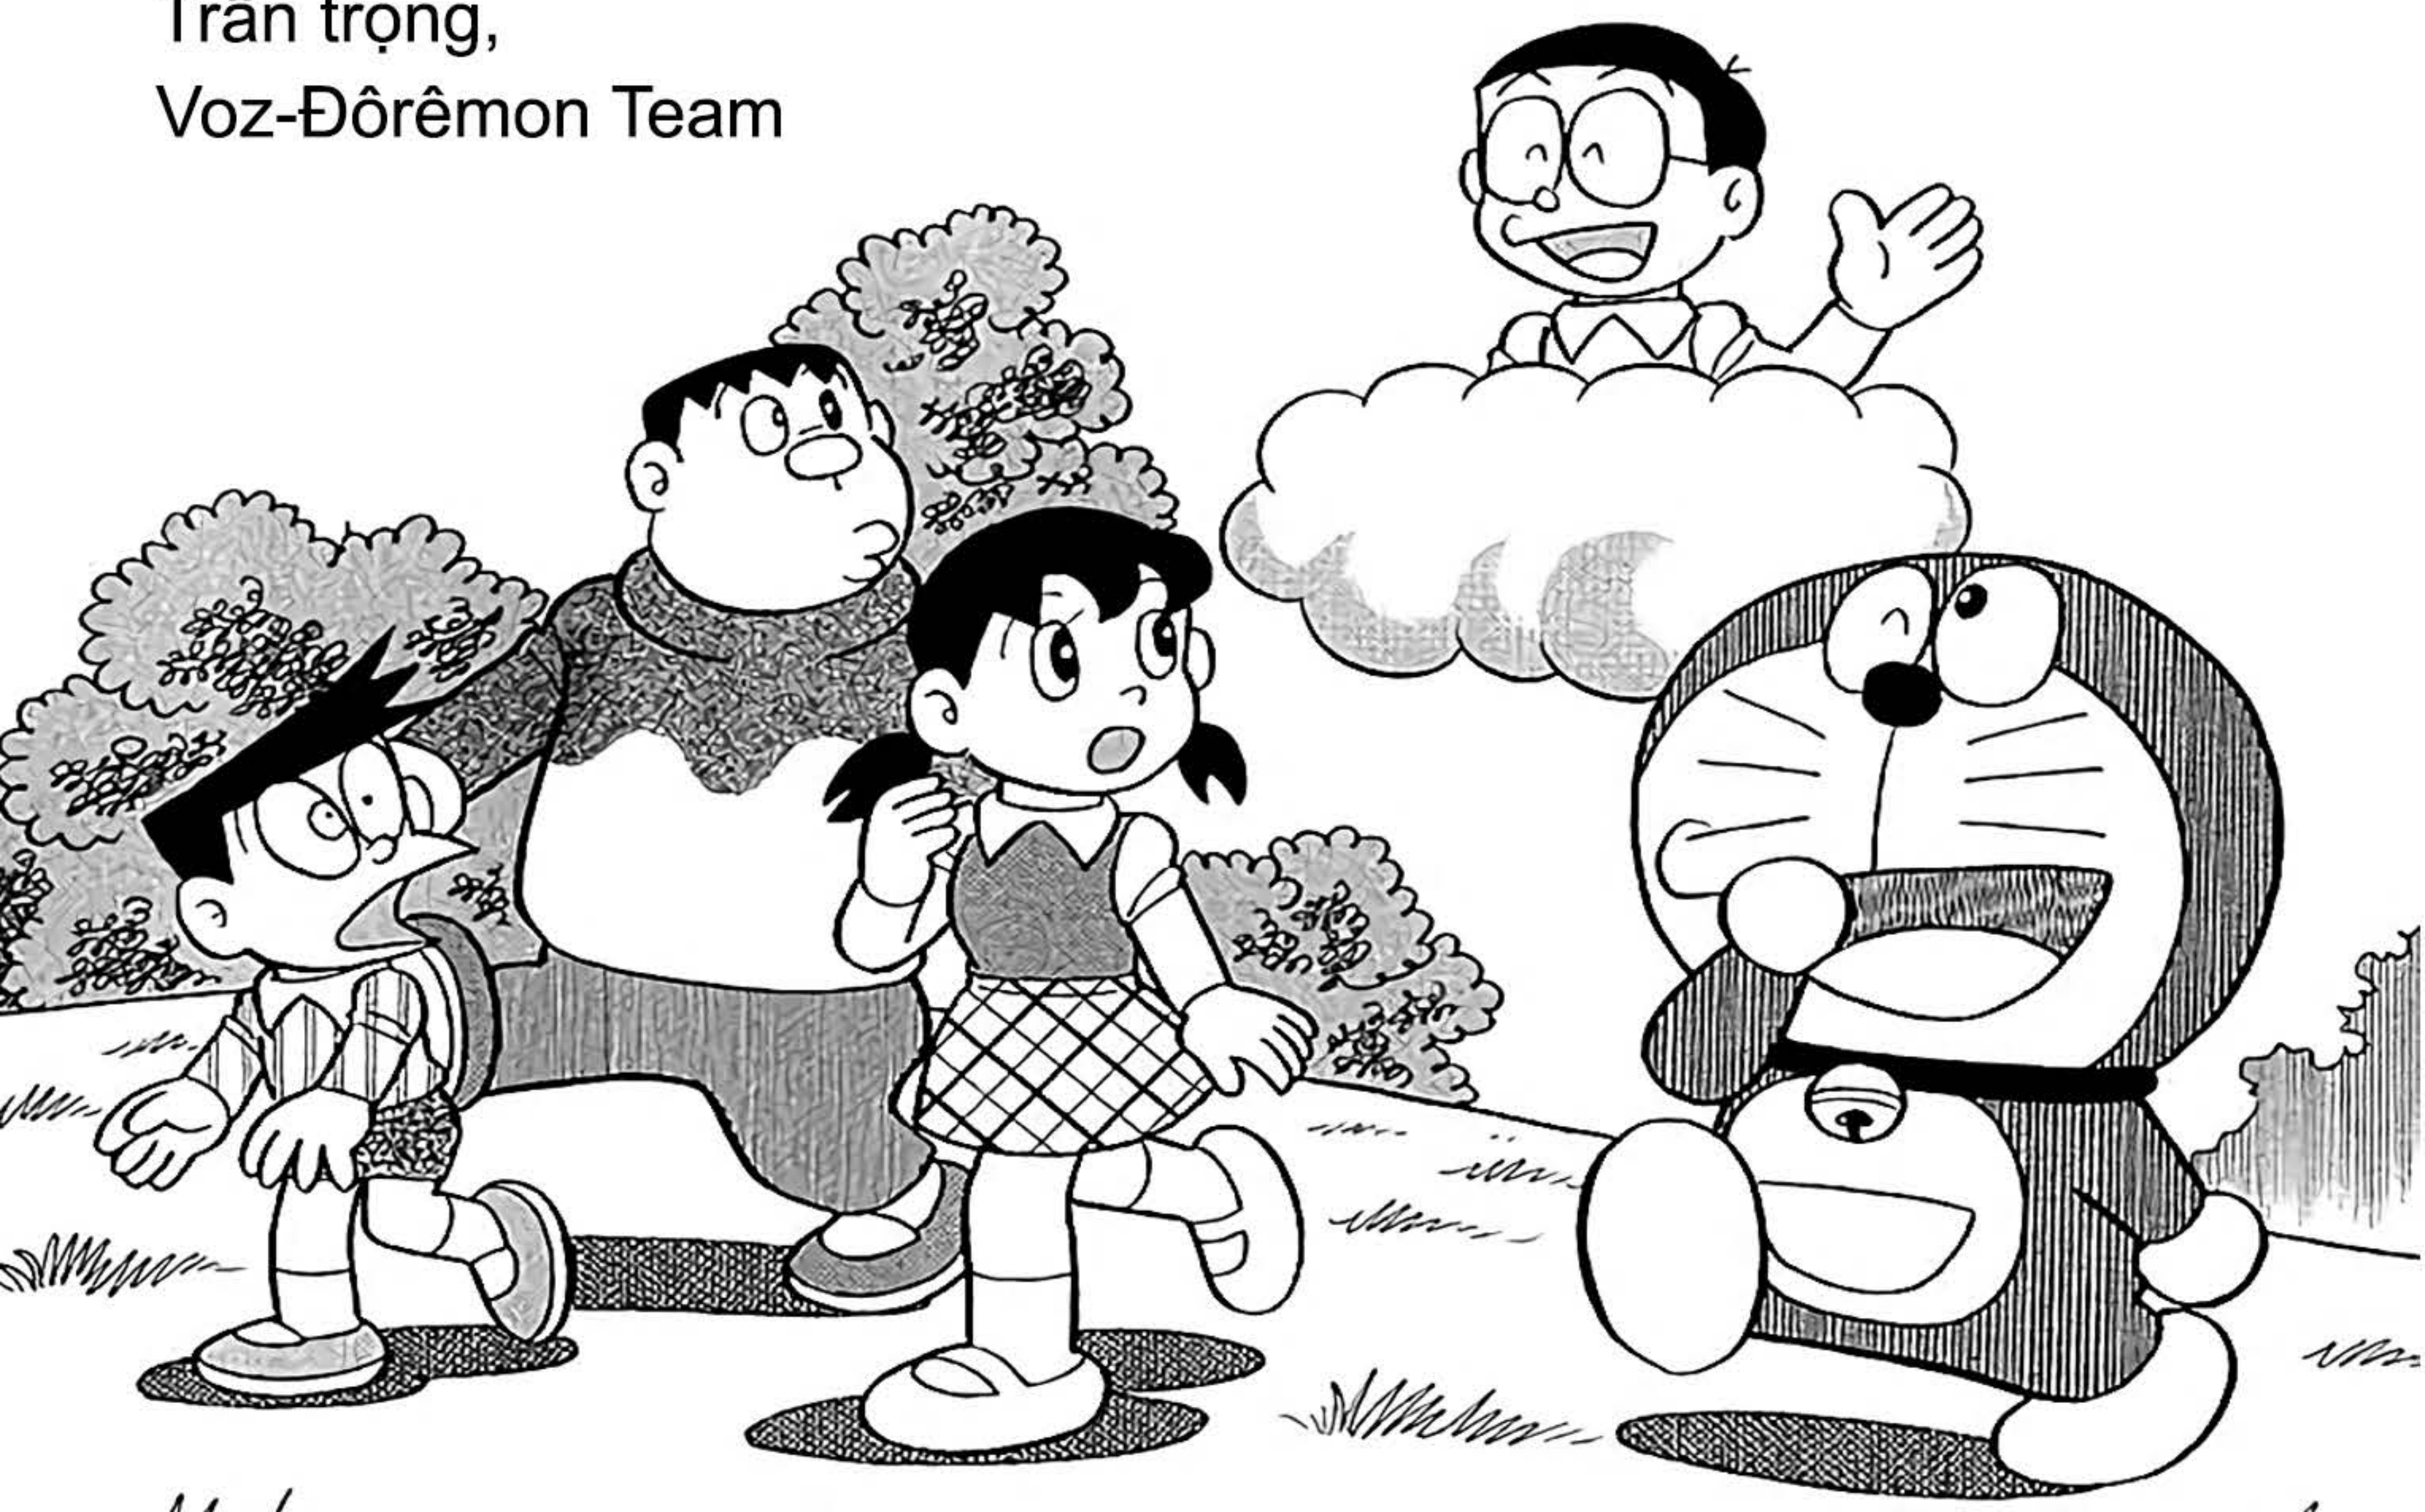

LỜI NÓI ĐẦU

... Ai cũng có một tuổi thơ để nhớ. Tuổi thơ của tôi gắn liền với những trang truyện Đôrêmon, với những cái tên như Nôbita, Xuka, Xêkô hay Chaien. Cái thời mà cuốn truyện tranh còn quý hơn cả bữa ăn. Tôi nhớ những lần chôm được tiền của mẹ để mua trộm, nâng niu cuốn sách ấy biết chừng nào. Lớn lên và trưởng thành hơn, tôi vẫn nhớ như in những ngày xưa ấy, nhớ những cái tên, những nhân vật, những bài học đã khắc sâu trong ký ức tôi.

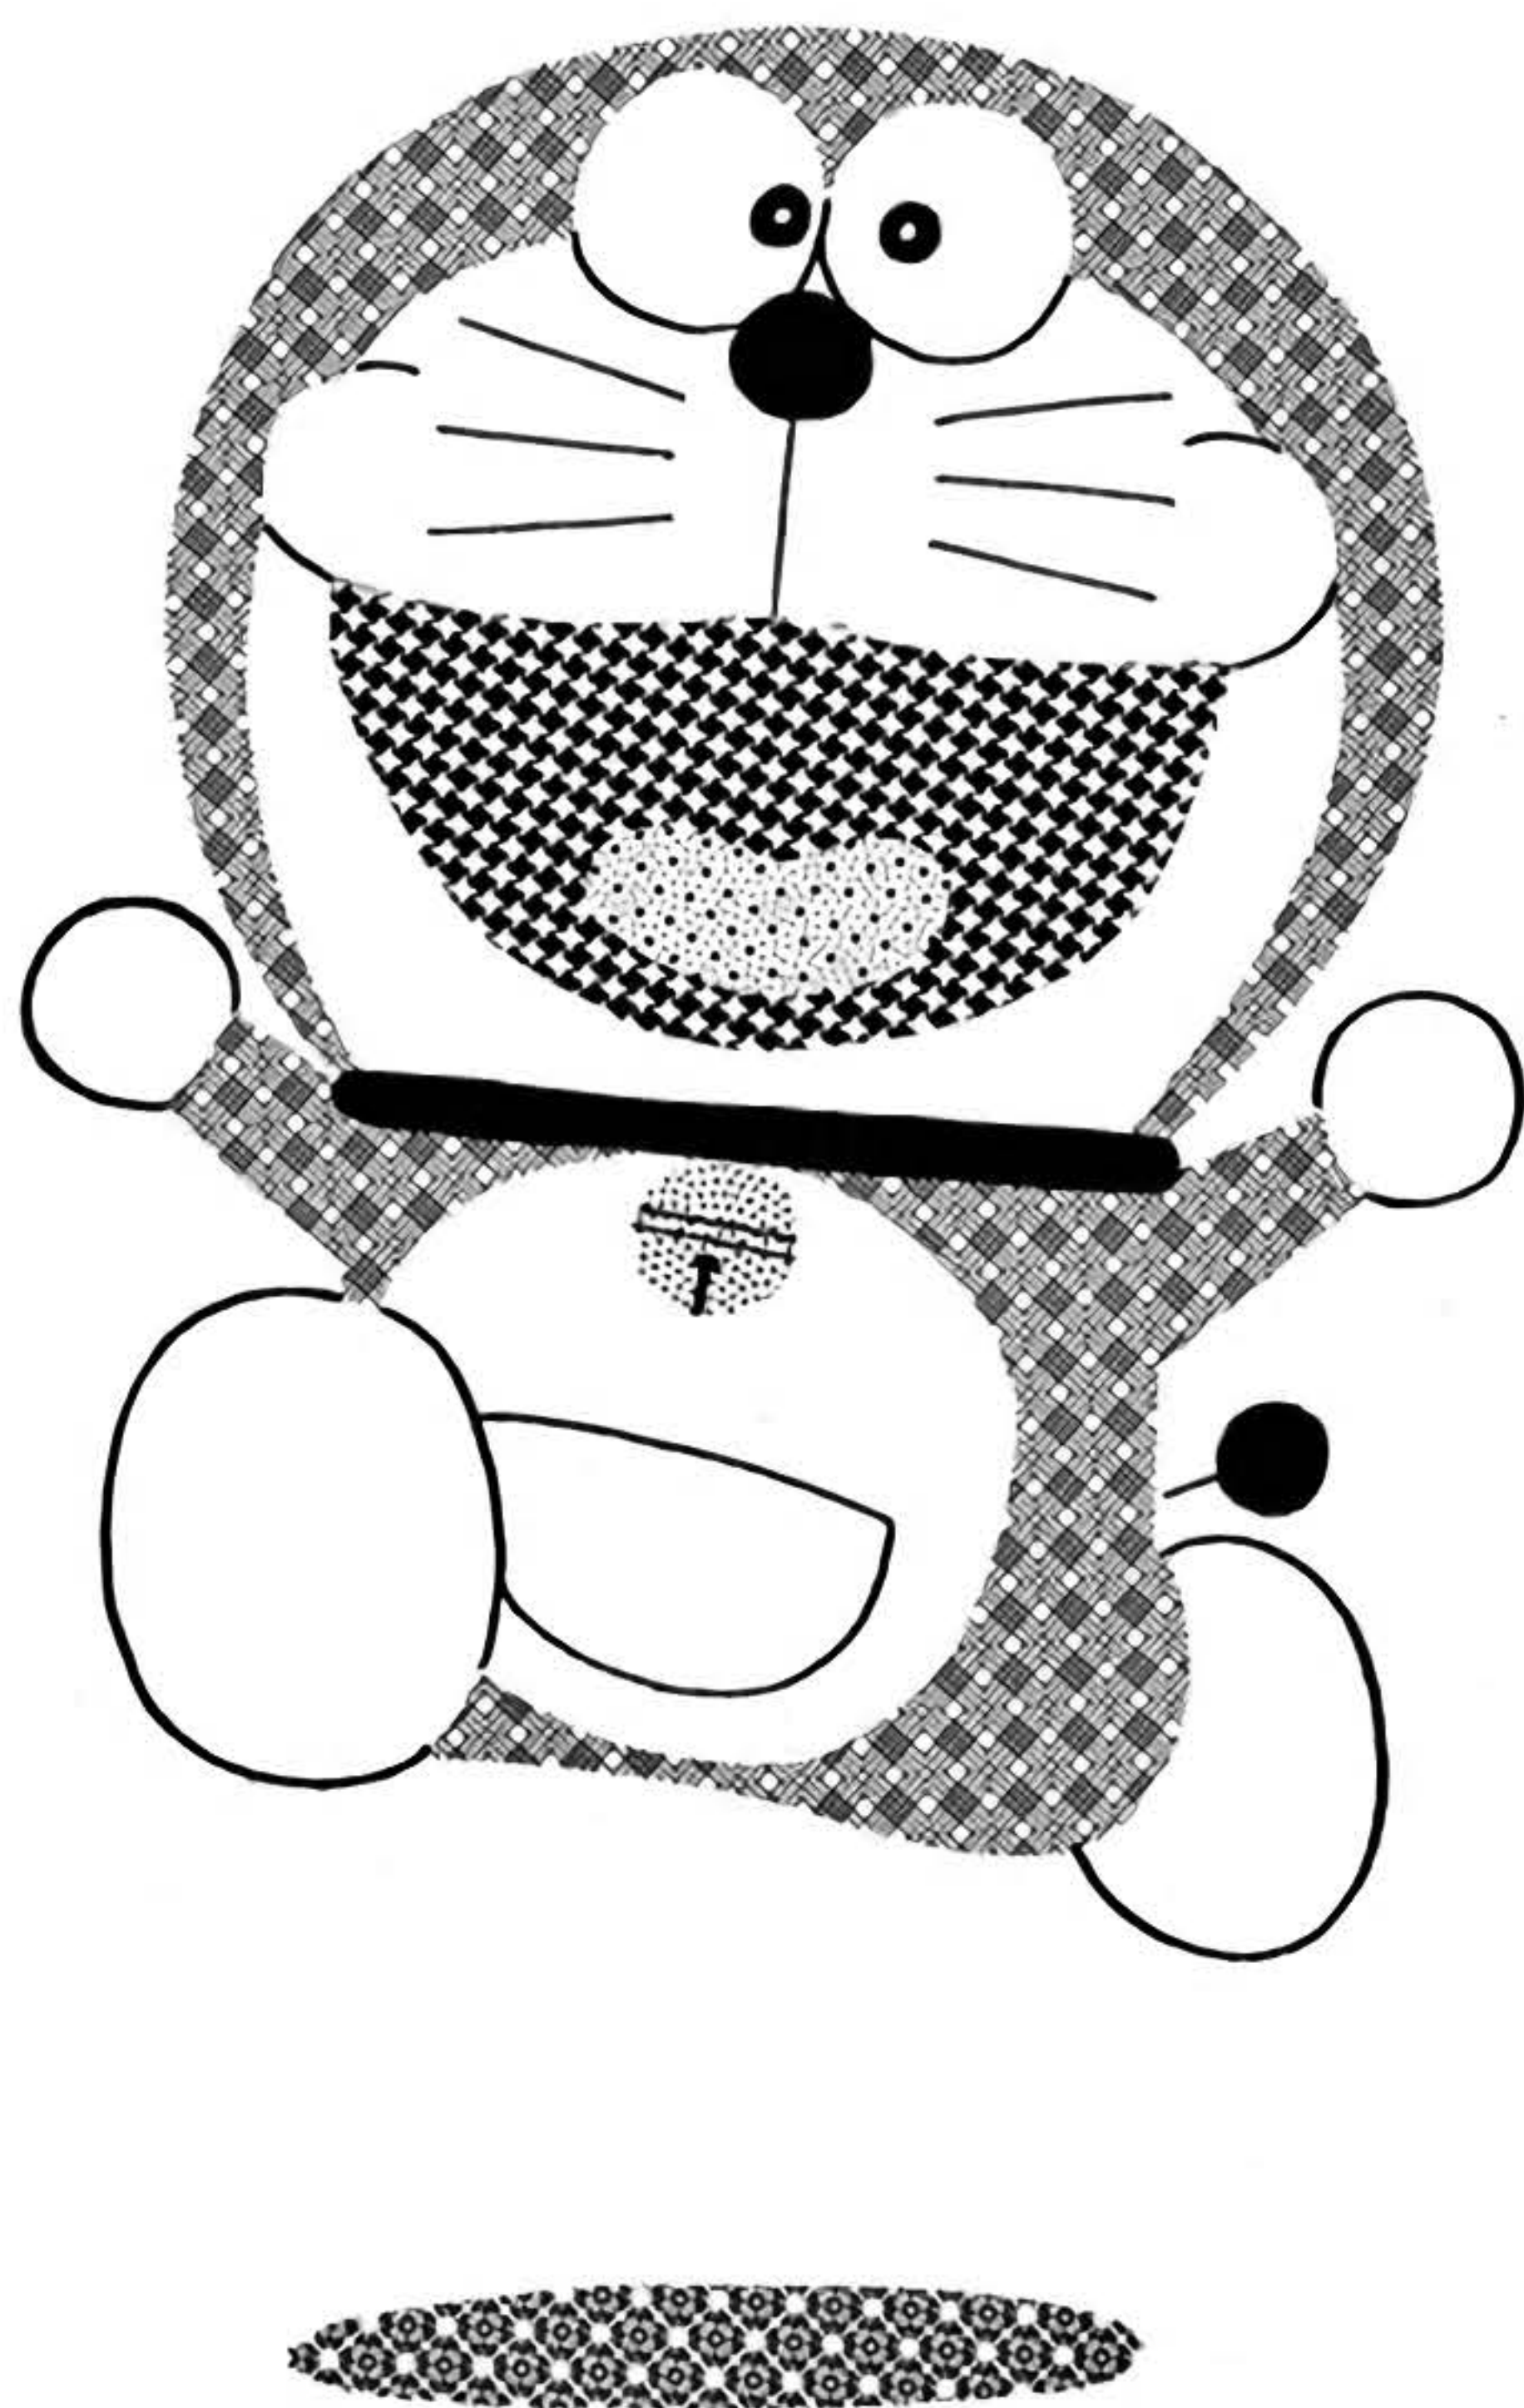

Và không chỉ tôi, mà còn rất nhiều những người khác, những người anh em trong Vozforums có chung sự đồng cảm ấy. Chính vì vậy, chúng tôi đã lên ý tưởng phục dựng lại bộ truyện Đôrêmon với ước mong được một lần nữa trở về ngày xưa với những Nôbita, Xuka, Xêkô, Chaien, với những mẩu chuyện hài hước mà không kém phần ý nghĩa.

Ngày hôm nay, chúng tôi mới chỉ đặt những bước chân đầu tiên lên chuyến tàu quay lại tuổi thơ, nhưng tin rằng, với sự ủng hộ của tất cả mọi người, của toàn thể anh em Vozer, chúng tôi sẽ cùng nhau đi tới ga cuối của cuộc hành trình!...

Trân trọng,
Voz-Đôrêmon Team
